 66. How can I get rid of red, itchy spots on my skin? 44

III. Boils and acne

67. How can recurrent folliculitis be treated? 46
 68. Why do I have a boil in the pubic region? 47
 69. What is the cure for recurrent boils? 47
 70. Why do I have boils and a tan on my face? 48
 71. Why do I get recurrent boils on my fingers? 48
 72. What is the treatment for viral warts on the head? 49
 73. What is the cause of boil-like lumps on the face? 49
 74. What is the reason for recurrent boils around the lips? 50
 75. What is the treatment for recurrent abscesses on the inner thighs? 51
 76. How can I get rid of severe acne? 51
 77. How can acne and skin allergy be best managed? 52
 78. I have skin eruption on the face, what do I do? 53
 79. What is the treatment of acne keloidalis nuchae? 53
 80. Do I have acne on my scalp? 54
 81. Is the long-term use of antibiotics safe for acne? 54
 82. How do I get rid of scars and pimples? 55
 83. Can minocycline be used for pimples? 55
 84. What is the treatment for severe recurrent acne? 56

IV. Dry skin (Xerosis)

85. What is the cause of and treatment for ichthyosis? 58
 86. How can I control xeroderma? 59
 87. Why does my daughter have dryness near the buttocks? 59
 88. Why are my lips getting dry and flaky? 60
 89. What is the treatment for extremely dry lips? 60
 90. What is the cause and treatment for severe dryness of the palms? 61
 91. What is the cause for a dry itchy skin with blisters in a 5-year-old? 62
 92. I am suffering severe dry skin; what do I do? 63
 93. What is the treatment for dry and scaly facial skin? 63
 94. How can dry skin be improved? 64

95. What do I do for my dry and scaly skin? 64
96. How can one get rid of extremely dry skin? 64
97. Are the white cracks on my skin due to the winter season? 65

V. Eczema, dermatitis and allergy

- Eczema 68
- Allergy 70

98. Is breastfeeding with nipple eczema harmful? 73
99. Is Tacroz an effective drug for atopic eczema? 73
100. What can cure shedding of the skin due to dyshidrotic eczema? 74
101. Can surgery remove eczema-inflicted skin? 74
102. How is eczema managed? 74
103. Why do I get blisters on my hands in summers? 75
104. How can severe eczema be treated? 75
105. How can I get rid of dark marks due to eczema? 76
106. Is severe itching on the testicles due to eczema? 76
107. Can Primosa and Carofit be taken to treat atopic dermatitis? 77
108. Can I take Virlix for atopic dermatitis? 78
109. What is the cause of and treatment for a cradle cap? 78
110. How is seborrhoeic dermatitis managed? 79
111. What is the treatment for seborrhoeic dermatitis? 80
112. What do I do to get rid of dandruff on the scalp? 80
113. How can one manage lichen planus? 81
114. What is the cause of and treatment for pityriasis rosacea? 81
115. What is pityriasis alba and its treatment? 83
116. What is the treatment for lichen simplex chronicus? 83
117. What is the solution to my skin problem (Neurodermatitis)? 83
118. How is urticaria (skin allergy) managed? 84
119. I think I am allergic to high humidity, am I right? 85
120. How is insect bite allergy (papular urticaria) treated? 86
121. What are the causes of skin allergy such as urticaria? 86
122. What is the cause for hives on the skin due to sweating? 87
123. How can one overcome allergy due to insect bites? 88
124. Did I get skin rashes due to the intake of spirulina? 89
125. Are medicines responsible for my skin allergy? 89
126. Am I allergic to metal bangles? 91
127. Does yoga help in curing allergies? 91
128. Does sun exposure cause skin rashes? 92
129. How are skin allergies managed? 92

130. How can I manage cold allergy of the skin? 93
 131. I am allergic to fruits and dry fruits. 94
 132. My wife has photosensitive skin allergy. 94
 133. What is the cause for my wife's skin allergy? 95
